Boarding

We love large dogs!

We are a large breed boarding facility. In fact we only accept dogs over 35 pounds.

Our rates are \$16.50 a day and that includes food and daily exercise. All our guests get out to our large exercise area for supervised play time. If your dog is social he will get to run with a group of dogs, if not he will get his own time.

Our kennels offer 50 indoor runs that are 4 feet by 15 feet and 10 runs that are 4 feet by 8 feet. We feature radiant heat throughout the floor so your dog will always have a warm spot to lay down.

We take such good care of your dog, they may not want to leave!

Day Care

Fun and Exercise for your best friend.

We offer day care for the high energy dog in the working family. Dogs have lots of energy, especially young ones. With our busy lifestyles we don't always have time to take our best friend out for some exercise. We've got a solution - drop them off for day care. They'll get lots of exercise, and you can probably have them groomed at the same time.

Grooming

Trained, experience groomers will make your dog look great.

We also offer grooming for all breeds. Our experienced and knowledgeable groomers take pride in their work and will have your dog looking great. We don't use smelly stuff that leaves your dog smelling like the perfume counter at a discount store. We use quality products that enhance your dogs coat.

Call for an appointment, or board your dog and have them groomed and ready when you pick them up.

Quality Pet Supplies

Kennel Tested Value

Our retail store offers kennel tested products that offer value. We really do test our products in the kennel. Dogs are tough customers, and that's how we test our toys - put them in the exercise yard.

We have leashes, collars, all natural treats and chews, toys, show leads, car restraints just to name a few.

We sell Precise Premium Dog Food, Fromm, Oma's Pride Frozen and Bil-Jac Fresh Frozen Dog Food. All natural and preservative free. Stop by and see us, or check out our website at www.okdirectpets.com.
